

Trusting God mobile

In addition to the four apple-shaped pictures, you will need a paper punch, varying lengths of yarn (five for each mobile) and straws (one for each mobile).

Directions:

1. Punch out the four apple shapes.
2. Use a paper punch to punch a hole in each picture as marked.
3. Use different lengths of yarn to attach the pictures to a drinking straw as shown.
4. Attach a piece of yarn to the center of the straw to make a loop to hang the mobile.
